Monopoli, March 13, 2023

MER MEC S.p.A. Group, a leading Italian company specializing in high technology for infrastructure, which is part of the Angel holding company that belongs to Order of Merit for Labor **Vito Pertosa** and that also develops solutions for the **aerospace** and **digital mechatronics** sectors, announces the appointment of Engineer **Luca Necchi Ghiri** as its new CEO starting April 2023.

Since 2007, as a Project Manager, Project Director, and Area Manager in Astaldi, and since 2018, as the first Chief Operating Officer and later General Manager for Impresa Pizzarotti & C. S.p.A., Eng. Necchi Ghiri is a professional with extensive experience that has been gained in the world of large infrastructure in Italy and abroad. In 2015, he was awarded the honor of Knight of the Order of the Star of Italy by the President of the Republic.

As CEO, Eng. Necchi Ghiri will lead the MER MEC S.p.A. group, joining the team of more than 2,000 employees of which 1,400 are specialized engineers who comprise the Angel holding company whose products and services are in use in 71 nations.

Engineer **Luca Necchi Ghiri** said, *"I am delighted to accept this new position at the MER MEC S.p.A. group, which is entirely privately owned and develops 100% Made in Italy high technology. I will immediately face all of the challenges to ensure further company growth under the banner of innovation, sustainability in its triple dimension (environmental, economic, and social), investing increasingly more in human capital, and putting people at the center starting from the company values of the group of excellence, integrity, and solidarity."*

President Order of Merit for Labor **Vito Pertosa** stressed, *"I strongly believe that the new CEO will be able to give a strong impetus to the MER MEC group. Good Work!"*
